

Senate Bill No. 1574

CHAPTER 1051

An act making an appropriation in augmentation of the Budget Act of 1998, relating to state government, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 30, 1998. Filed
with Secretary of State September 30, 1998.]

On this date I am signing Senate Bill No. 1574 with a reduction.

This bill would make an appropriation for nine dredging projects, the Simon Wiesenthal Center-Museum, "at-risk" youth employment training programs, and for local assistance to the Bay Area Rapid Transit District (BART).

I am sustaining \$1,000 in Section (b) and \$1,250,000 in Section (c).

I am deleting \$15,700,000 in Section (a) and \$475,000 in Section (d).

Notwithstanding the merits of the projects, it is more critical that the State have a two percent reserve.
